The purpose of this organization is as follows:

1. To improve school morale.
2. To provide a clear channel of communication among the faculty, administration, and the student body.
3. To provide a forum for students' expressions and needs.
4. To provide orderly direction of school activities.
5. To develop attitudes of, and practices in, good citizenship.
6. To positively promote the general welfare of the college.
7. To provide an intellectual, social, and cultural environment that maximizes student potential and enhances student success.
